About SAC Health

SAC Health is the largest specialty-based and teaching health center (THC) Federally Qualified Health Center (FQHC) in the nation. SAC Health provides comprehensive services to underserved areas and populations including Medi-Cal and Medicare patients. SAC Health is recognized as a Level-3 Patient-Centered Medical Home by the National Committee for Quality Assurance (NCQA) and has over 100 community partnerships that enable the health to provide whole-person care to all its patients. SAC Health provides care in 12 locations, along with a mobile clinic, in San Bernardino and Riverside counties, including services in family medicine; pediatrics and pediatric specialties; obstetrics and gynecology, internal medicine and medical specialties; family dentistry; behavioral health; surgical specialties and more.

Our Mission

To reflect the healing ministry and love of Jesus Christ through healthcare, education, and partnerships that empower our communities to flourish.

Our Values

Quality Healthcare - providing patient-centered, culturally sensitive, equitable care that is safe, timely, effective, efficient, while seeking to prevent illness and disability.

Teamwork - working together to achieve a common goal, with a willingness to serve each other in a Christ-like manner.

Wholeness - ministering to the spiritual, physical, mental, and emotional needs of others.

I**ntegrity -** living and working in an authentic, honest way that inspires trust.

Compassion - engaging with the needs and suffering of others, out of concern for their well-being.

Excellence - striving to exceed expectations for our patients, community, and staff.

Humble Service - caring with a kind and selfless spirit.

Respect - holding others in high regard by empowering them.
