## ABOUT SAC HEALTH

SAC Health is the largest specialty-based and teaching health center (THC) Federally Qualified Health Center (FQHC) in the nation. SAC Health provides comprehensive services to underserved areas and populations including Medi-Cal and Medicare patients. SAC Health is recognized as a Level-3 Patient-Centered Medical Home by the National Committee for Quality Assurance (NCQA) and has over 100 community partnerships that enable the health system to provide whole-person care to all its patients.

SAC Health provides care in 11 locations, along with two mobile clinics (dental and medical), in San Bernardino and Riverside counties, including services in family medicine; pediatrics and pediatric specialties; obstetrics and gynecology, internal medicine and medical specialties; family dentistry; behavioral health; surgical specialties and more.
